12.02.24 – Walk To School Week

16.02.24 – Half Term Holidays

Outdoor Area

We have successfully secured some funding from Bupa to develop the front of school. Over the next few months we are going to use the funding to create a community library and wellbeing garden. This will provide our families with the opportunity to share books, sit in a garden to reflect, be in the moment and somewhere to remember loved ones who are no longer with us.

We are very excited about the project and can't wait to see the end result.

We would love for the project to be a community development and are asking for any volunteers who could help us create the shared areas.

If you are able to volunteer or donate any items, please speak to the admin team who will pass your details on to the senior leadership team.

Children's Mental Health Week

Starting on 2nd February we will be celebrating this year's theme of 'My Voice Matters'. Further details of how to promote the right of your child's voice will be sent out nearer to the date.

National Story Telling Week

We will be celebrating by sharing lots of different stories and activities within the rooms.

Attendance

We know this time of the year there are a lot of illnesses circulating, however we are experiencing a large amount of absences. All absences must be reported to school and a member of the school team will discuss your child's absence with you. It is really important that your child attends their sessions unless they are too unwell to do so.

2024

Happy New Year

Happy New Year to all of our families. We hope that 2024 is filled with opportunities, love and joy. As always, we are here to support our families with any worries or issues you may be facing. Please speak to a member of the team if there is anything we can do to support you further.
